

Dunbarton Energy Committee Meeting Minutes, July 19, 2021 (Virtual meeting)  
Members Present: Bob Ray, Dana Lavoie, David Elberfeld, George Holt, John Stevens  
Public:

Public: None

Meeting opened at 7:02 PM

1. Public comment: None
2. June 20 minutes approved
3. Town Solar Transfer Station system:
  - Dana presented output data
  - Output remains good, same as 2020 except July 2021 lower due to long storm period
  - Electric bills are higher than expected than expected, will investigate why they have increased, possible changes in cost per Kwh and delivery charges.
  - Dana will check current factors affecting price (net bill)
  - Output on par with expectations on power cost and and output.
4. School solar electric and hot water systems progress:
  - George will look at leak soon
  - We have access to the controller inside the school but not outside
5. School solar electric system progress
  - John solar maps to group
  - George has parcel maps
  - Everett Road site needs another pole or 2 for access to power line
  - East of Garden area slopes downhill and would need much tree clearing
6. School potential energy savings:
  - Bob and John will do a thermal image map of the school this winter
  - John will research school energy audit vendors and any rebates available.
7. Other EC activities

Old Home Day Energy table:

- Dana will be out of town on August 14<sup>th</sup>
- George: do poster board approach
- John: send Bob pictures pf energy posters at church
- Signups at table: People can contact us for advice on energy issues for residents, like electric mowers and other opportunities. Maybe invite people to come to a half-hour pre-EC meeting session on subjects of interest to them.
- Circulate by email ideas for EC table at Old Home Day table.
- George has a table,
- John, look for table banner for Bob.

Meeting adjourned at 7:59 PM

Next meeting: Aug. 16, 2021

Respectfully submitted: John Stevens
