

Dunbarton Energy Committee Meeting Minutes, November 21, 2022 (Virtual meeting)
Members Present: George Holt, David Elberfeld, Mike Kaminski, Dana Lavoie, Bob Ray, John Stevens
Public: Brian Watford

Meeting opened at 7:01 PM

1. Public comment: Brian Watford Would like to be an EC member. Members approved.
2. October 17, 2022 meeting minutes approved
3. School Solar Electric.
 - Dana has presented the project to the School Board. They are conceptually interested in this project.
 - Approved Revision to present at a future School Board meeting.
 - Dana also reached out to Norwich Solar for a proposal.
 - Dana sent George last 13 months of school electric usage, George will put into a spreadsheet
4. School Hot Water Solar
 - George will re-check operation and data access, last checked in early fall.
 - We would like to look at a system to track output / performance.
5. Resident homes tours.
 - On pause till spring.
 - Residents can visit homes for interest in technology, solar PV, electric vehicles and more.
7. School energy savings opportunities.
 - Good idea to get a new energy audit.
 - George will present electrical usage information as needed
 - Blinds and shutters are seldom used at night.
 - George: need to analyze electric usage points and heating fuel usage.
 - Brian offered to head up electric and heating fuel usage.
8. Other matters to discuss.
 - Dana got information on "SENSE" usage point monitor.
 - The SENSE tool monitors wave forms to identify devices
 - Should the EC purchase a system? Lower price is being offered, \$220 per device.
 - Will support sub-panels.
 - Use EC website to list contractors for home evaluation.

Meeting adjourned at 7:45 PM

Next meeting: December 19, 2022

Respectfully submitted: John Stevens
