

Energy Committee Minutes  
August 20, 2007 7:00pm  
Submitted by Stephanie Herlihy

Committee Members Present: Lindsay Herlihy, Skip Trudeau, Les Hammond, Matt Virta, Nathan Wilson, Kris Hanson, Stephanie Herlihy

Members absent: Margaret Watkins, George Holt, Katie McDonald

Meeting Minutes:

A motion was made to appoint Matt Virta and Nathan Wilson as co-chairs. The vote was unanimous.

A motion was made to recommend the town receive a free energy audit provided by NHsaves @Work/Small Business energy Solutions Program. The vote was unanimous. Stephanie Herlihy will contact Charles Kothe to set up a time and date with Janice VanDeBogart.

The committee pooled resources for the informational/educational booth:

Katie McDonald & Kris Hanson will gather handouts from various environmental organizations

Matt Virta will make posters and contact PSNH about the Kill-a-watt device

Nathan Wilson will make a suggestion box with a formatted insert.

Stephanie Herlihy will make the hands-on activities

Katie McDonald will make the mission statement poster

Les Hammond reported that the town archives states that solar panels are not assessed so there is no need to get tax credit for installing them.

Research the question: Can homeowners get a free energy audit? Charlie Kothe will be asked for this information and possibly get handouts for our booth.

Next Meeting: September 17, 2007 at 7pm
